

Today
August 29, 2010

We would like to thank you for joining us today in service. If you are a visitor with us for the first time we would like to welcome you to Christian Center of Mesquite. If you would take a minute to fill out a visitors card we would greatly appreciate it. Just put this in the offering plate for your convenience or give this to one of our ushers. Sing with us, listen to the Word and receive from the Lord. May our gracious Lord draw near to you wonderfully in this service today.

Thank You

Thank you Pastor Butts & Bro. & Sis Colley for the visits & prayers while I was in the hospital. Thank you to the Ladies who provided the delicious meal when I returned home. It was greatly appreciated. Thank you to all who sent cards to encourage me during this time. Thank you to all who prayed for my recovery after the surgery. I am looking forward to being back in service soon.

Sharon Johnson

Thank you all for the flowers & the love God has gave us during the loss of our husband & father.

Sincerely,
Betty, Mark & Judy Graham

I would like to thank all the wonderful spirit filled Christian people who have shown much love to us. We would also like to thank you for your prayers, telephone calls, cards, offers for food, & transportation to the doctor. Many prayers to those who God sent to encourage us. We appreciate the wonderful people for your love shown through the darkest hours for us. Special thanks to the prayer warriors for the prayers that lifted us up through it all.

Love you all,
Mrs. F.M. Bunch & Family

Thank you to all that brought food for the homeless ministry this month. As always the people are grateful for your support & kindness. Each month you have provided a warm meal for those that need a helping hand & each month it goes to show that God's love is working through each of you.

Sincerely,
Missions Department & Samaritans Journey

Sermon Notes

Researchers show that when we write something down we will retain 65% of what we have heard & only 10% if we don't. As far as our brain is concerned if we write it then we must have been doing it. Give it a try and see what happens!!
